A well maintained 2 bedroom ground floor apartment in a shared patio in Vejer old town. Casa Aurora offers wonderful views of the surrounding countryside and towards Tangier. There is a large shared patio and corral which has communal storage areas. On entering the apartment there is a living room with Juliette balcony with views. To the left handside is the first of two double bedrooms. Along the hallway to the right is the fully fitted kitchen, bathroom and second bedroom. Fantastic views and just a little work needed to update.
