Situated on the outskirts of Alcala de los Gazules, Casa Lina is country living in town. A wonderful property with approximately 10,000 square metres of land with the land having two entrances and easy access. The main house has a rustic style kitchen leading out to a covered patio dining area and a bedroom on the ground floor. The patio also houses a brick built barbecue and plenty of space for container gardening. The views from the terrace next to the patio are simply spectacular.

Outside stairs lead down to the spacious living room again with amazing views, a second bedroom and the bathroom. The joy of Casa Lina is the amount of outside space it has. Surrounding the house on all levels. There is even the ruins of an old monastery on the land. Viewing highly recommended to appreciate all it has to offer. Fantastic views of the surrounding countryside.
