A beautiful country house with approximately 3000 square metres of land located in a secluded area of La Muela. An electric gate opens to the front garden and private swimming pool/leisure area. Next to the pool is a covered outside dining area with brick built barbecue and a guest bathroom. The main house has a large living room with dining area and a wood burning stove. This leads directly to the spacious eat in kitchen which also benefits from a brick built open fire. From here towards the back of the house you will find the 3 double bedrooms, one with built in wardrobes and the family bathroom. All the bedrooms have views of the back garden area. There is also an integrated underground garage. The gardens are extremely well maintain and the land is full of fruit trees and an allotment area, along with outside storage rooms. The house has its own well and a shared well with one other neighbour. Viewing highly recommended.
